

An Open Forum:  
**Climate Change, Environmental Degradation, and  
the Conflict-Development Nexus**

**Thursday, April 23rd  
6:30 pm to 8:30 pm**

Center for Community Cooperation  
2900 Live Oak  
Dallas, TX 75204

Free and  
Open to the  
Public

*Guest Speaker:*

**CULLEN HENDRIX, PhD**

Assistant Professor, Political Science, University of North Texas

Dr. Hendrix is an authority on civil conflict, climate change and conflict, and the political economy of development. His current research focuses on food insecurity, climate change, and violent political mobilization, in particular riots and insurgent movements.

*Moderator:*

**DEVIE RICHARDS**

Executive Regional Director—Texas, Sustainable Global Leadership Alliance

Ms. Richards has worked in Honduras on reforestation and Moringa Tree planting projects. Locally she has initiated recycling programs. Her passions include empowering youth leadership and protecting and sustaining the environment. She currently serves on the board of Peacemakers Incorporated.

The Program Includes:

6:30-7:00 pm  
Networking and light refreshments

7:00-8:00 pm  
Program Presentation

8:00-8:30 pm  
Discussion and Q & A
